聚乙烯塑料袋封口制造机 · Polyethylene plastic bag sealing and manufacturing machine · Máquina fabricante y selladora de bolsas de plástico de polietileno

1 制造商与出口商信息 | Manufacturer / Exporter Information

表 1 制造商与出口商信息

项目 Item	信息 Information
公司名称 Company Name	WENZHOU XIANGHAI MACHINERY Co., LTD
注册地址 Registered Address	27Road North Wangjiang Feiyun Town Ruian City Wenzhou City, Zhejiang Province China
联系人 Contact Person	Hai kuo
电话 Telephone	0086 150 5773 2244
电子邮箱 E-mail	3443393204@QQ.COM
原产国 Country of Origin	China

2 产品标识 | Product Identification

表 2 产品标识

项目 Item	信息 Information
产品名称 Product Name	Polyethylene plastic bag sealing and manufacturing machine
中文名称	聚乙烯塑料袋封口制造机
型号 Model	XH-NT1200
序列号 Serial Number	XH260721H
制造年份 Year of Manufacture	2026/09/20
原产国 Country of Origin	China
海关编码 NCM / HS Code	84778000

3 技术描述 | Technical Description

English:

Polyethylene plastic bag sealing and manufacturing machine, with a maximum production capacity of up to 500 kg/hour, a maximum working width of 3,200 mm, and a single-layer film thickness range of 250–500 microns.

Chinese:

聚乙烯塑料袋封口制造机，最大生产能力可达 500kg/h，最大工作宽度为 3200mm，单层薄膜厚度范围为 250-500 微米。

Português:

Máquina fabricante y selladora de bolsas de plástico de polietileno, con una capacidad de producción máxima de hasta 500 kg/hora, una anchura de trabajo máxima de 3200 mm y un rango de espesor de película monocapa de 250 a 500 micrómetros.

4 技术规格 | Technical Specifications

表 3 技术规格

参数 Parameter	规格 Specification	单位 Unit
机器类型 Machine Type	Polyethylene plastic bag sealing and manufacturing machine	1 set
最大生产能力 Maximum Production Capacity	500	kg/hour
最大工作宽度 Maximum Working Width	3200	mm
单层薄膜厚度范围 Single-Layer Film Thickness Range	250–500	microns (µm)
电源 Power Supply	380	V
装机功率 Installed Power	10	kW
整机外形尺寸 Overall Dimensions (L×W×H)	5100*1800*1950	mm (L*W*H)
整机重量 Machine Weight	2000	kg

6 声明 | Declaration

English:

We hereby declare that the information contained in this technical catalog is true, accurate and complete, and accurately describes the equipment supplied, for the purposes of customs clearance and tariff-related procedures.

Chinese:

我方声明：本技术目录所载信息真实、准确、完整，与实际交付设备一致，适用于海关清关及关税相关手续。

Português:

Declaramos que as informações contidas neste catálogo técnico são verdadeiras, precisas e completas, e correspondem ao equipamento fornecido, para fins de despacho aduaneiro e procedimentos tarifários.
