A RINGFEDER POWER TRANSMISSION Company

Dear Business Partner,

16.09.2025

Subject: Intimation of Proposed Amalgamation of Rathi Transpower Private Limited ("**Rathi**") into Ringfeder Power Transmission India Private Limited ("**Ringfeder**")

We hope this message finds you well. We would like to take this opportunity to inform you that Rathi (a wholly owned subsidiary of Ringfeder) will be merging into Ringfeder pursuant to a scheme of amalgamation and arrangement ("**Merger**"). This Merger marks an important milestone for both Rathi and Ringfeder and is expected to:

- Integrate business synergies and enhance operational efficiency
- Diversify the product portfolio and broaden the customer base

We are pleased to inform you that the Merger has received the requisite approvals from the statutory authorities and is in the process of being made effective. We expect this process to be completed **between 24th September and 2nd October 2025**. During this period, we will not be able to bill or dispatch materials.

Post-merger, all orders placed under the name "Rathi Transpower Pvt. Ltd." will need to be amended to "Ringfeder Power Transmission (I) Pvt. Ltd."

As per the post-merger corporate branding strategy, **RATHI-branded couplings will be sold under the RINGFEDER brand.**

Please be assured that all pending purchase orders will be fulfilled, and Rathi will honor all obligations until the Merger becomes effective. Thereafter, Ringfeder will seamlessly take over and continue all such obligations, ensuring no disruption to the normal course of business.

The Sales & Customer Service Team at Rathi will be in touch to address any queries you may have. Alternatively, you may reach out to Poornima Lokesh – VP, Customer Service, at poornima.lokesh@ringfeder.com for any clarifications.

We thank you for your continued trust and support, and we look forward to serving you under the unified identity of Ringfeder in the near future.

Warm regards,

For Rathi Transpower Private Limited
